Model contest will follow Winnebagoland Division guidelines and rules, more information available on the Winnebagoland web site.

Photo contest will follow Winnebagoland Division guidelines and rules, more information available on the Winnebagoland web site.

The Photographer's roundtable is a moderated discussion open to all participants about both model and railfan railroad photography. Please participate by bringing some photographs to show at the roundtable discussion, you may also bring digital media such as a USB jump drive with photos on it, as a computer and projector/monitor will be available to digitally display your photos.

The Modelers roundtable will be a moderated discussion open to all participants about any railroad modeling. Please bring models to show your modeling and any special tools or techniques used. You may also bring digital media with photos of your modeling.

Note: depending on number of participants the moderator may limit number of models, photos or videos shown by individuals to give everyone a chance to participate in either round table discussion.

The roundtable discussions will be patterned after the Soo Line Historical Society Convention modelers and photographers roundtable discussions.

We are doing the roundtables instead of traditional clinics due to space limitations at this venue.

Model railroad layout tour will include an O scale railroad featured in "Great Model Railroads" along with a real wood caboose - One of the oldest HO model railroads in the Division along with an outstanding railroad memorabilia collection - A 56 year old club's newest model railroad and other model railroads.

The Winnebagoland Division NMRA reserves the right to make changes to this Spring Meet without notice due to circumstances beyond control of the Winnebagoland Division NMRA, Merrill Historical Society and Layout tour hosts or for any other reason.

Vendors must purchase one (1) Spring Meet admission along with table(s) rental. The Winnebagoland Division NMRA, Merrill Historical Society shall not be held liable for any loss or damage to vendor's items for sale or on display.

I plan on participating in the photography round table and will bring photos____, digital media_____
